## Technology Partners Wins Inavero's 2018 Best Of Staffing® Client And Talent Diamond Awards

*Diamond Award winners have won the Best of Staffing Award for at least 5 years in a row, consistently earning industry-leading satisfaction scores from clients and job seekers.*

**St. Louis, MO – February 15th, 2018:** Technology Partners, a leading IT staffing and solutions company announced today that they have earned [Inavero's Best of Staffing® Client and Talent Diamond Awards](#) after winning the [Best of Staffing Client and Talent Awards](#) at least five years in a row for providing superior service to their clients and job seekers. Presented in partnership with CareerBuilder, Inavero's Best of Staffing winners have proven to be industry leaders in service quality based entirely on ratings provided by their clients and the employees they've helped find jobs. On average, clients of winning agencies are 2.3 times more likely to be completely satisfied and job seekers who work with winning agencies are 1.7 times more likely to be completely satisfied with the services provided compared to those working with non-winning agencies.

Focused on helping to connect people with the right job openings in multiple states within the US, Technology Partners received satisfaction scores of 9 or 10 out of 10 from 69.6% of their clients and 80% of their talent, significantly higher than the industry's average. With fewer than 2% of all staffing agencies in the U.S. and Canada earning the Best of Staffing Award, just 33% of the 2018 Best of Staffing winners earned the Diamond Award distinction. The winners of this award truly stand out for exceeding client expectations.

*"To say we are proud of winning the Diamond Awards for both the Client and Talent categories is an understatement. We feel tremendously honored that both our clients and employees feel well served by our teams at Technology Partners and it is truly a testament to the philosophy we have worked hard to preserve for over 24 years by putting our people first. We know that this is a result of everyone feeling equipped with charge over their careers and the partnership we aim to achieve with all our clients."*

- Lisa Nichols, CEO, Technology Partners, Inc.

*"With a tight labor market and growing economy, finding the right recruiting partners is critical to success, Best of Staffing Diamond award winners provide consistently remarkable service to their clients and job candidates, and I couldn't be more proud to feature them on BestofStaffing.com."*

- Eric Gregg, CEO, Inavero
