## PRESS RELEASE

### POST-DISPATCH NAMES TECHNOLOGY PARTNERS A WINNER OF THE GREATER ST. LOUIS TOP WORKPLACES 2021 AWARD

St. Louis, MO - June 17, 2021 Technology Partners has been named a 2021 Top Workplace by the St. Louis Post-Dispatch. The award is based on employee feedback gathered through a third-party survey administered by employee engagement partner, Energage LLC. The anonymous survey measures 15 culture drivers critical to any organization's success, including alignment, execution, and connection. This is the fourth consecutive year Technology Partners has received the prestigious award.

*Technology Partners CEO, Lisa Nichols says, "Technology Partners is committed to facilitating an environment where employees feel comfortable and challenged, as well as given countless growth opportunities. We would like to thank our team for making this possible and to our incredible clients who see value in a company that puts its employees first. As we mount this award on our shelf, we promise to keep fighting for our employees and their families, making sure that Technology Partners stays a wonderful workplace for years to come."*

*"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for each organization, so they can make informed decisions that have a positive impact on their people and their business."*
