FOR IMMEDIATE RELEASE

GREG NICHOLS NAMED AMONG THE 'TOP 100 PEOPLE TO KNOW IN BUSINESS' FOR 2020

St. Louis, Mo., March 3, 2020 – Greg Nichols, Co-Founder and President of Chesterfield-based IT solutions company Technology Partners, has been named to St. Louis Small Business Monthly's 'Top 100 St. Louisans to Know to Succeed in Business' for 2020. Each year, St. Louis Small Business Monthly carefully selects 100 business leaders in the St. Louis area who are highly recommended by their peers as industry leaders and influencers who are “the kind of people that will get you some of the needed perspective that is crucial to success.”

Nichols and his wife Lisa founded Technology Partners 25 years ago to revolutionize the IT staffing industry with a business model based on transparency, honesty and integrity with career control and high salaries for employees. Under Greg's operational leadership, the company has expanded to deliver IT solutions including artificial intelligence, managed IT services, cloud productivity, data and analytics that are flexible, scalable, cost-effective, efficient, and productive.

Today Technology Partners has more than 350 employees and serves clients ranging from Fortune 500 businesses to small and mid-size organizations in the financial services, agribusiness, healthcare and other industry sectors. It is currently the [largest temp staffing agency](#) in the St. Louis region according to the St. Louis Business Journal.

“It's an honor to see Greg's hard work being recognized in the business community,” said Technology Partners CEO Lisa Nichols. “He strives every day to demonstrate Technology Partners' vision of collaborative consulting that drives lasting change in the world with a commitment to excellence and integrity.”

Technology Partners is an award-winning, Chesterfield-based company that provides premier IT staffing and solutions. With over 25 years of experience, the company has partnered with hundreds of corporate clients across a range of industries nationwide, primarily fintech, healthcare and agriculture. It is a certified Women Business Enterprise and was built upon a revolutionary transparent-margin business model. Technology Partners provides a competitive advantage for its clients while giving consultants higher salaries and career control. For more information, visit www.technologypartners.net.
